PROPER CART PLACEMENT IS IMPORTANT

Please do not count on your collection time being the same every day. Collections times may vary depending on traffic, the amount of material collected, and potential changes in routing. You risk missing your pickup if you do not place your container out by 6 a.m. on your service day. The container must be out by the specific time and placed properly at the edge of the street as described here, with the handle facing your home.

Clean, dry, and empty recyclables should be placed in your recycling cart.

Do Not bag your recyclables. Please keep them loose in the cart.

Do not place any household hazardous materials in your new recycling or garbage carts.

For proper disposal of hazardous materials disposal locations visit: www.pascocountyfl.net/475/Household-Hazardous-Waste .
